(*b*) to any other petitioner on his giving to the Court a bond with one or more surety or sureties or other sufficient security that the fee will be paid within such time as may be fixed by the Court.

(*3*) Property held in trust not beneficially or with general power to confer a beneficial interest shall not be liable to any fee under this Chapter.

(*4*) For the purposes of this section, if any member of a joint Hindu family governed by Mitak-hara Law applies for probate or letters of administration in respect of the estate of a deceased member of the joint family, such estate shall not be deemed to be property held in trust, and the applicant shall pay a fee on the value of the share in the joint family property which the deceased would have received if a partition of the property had been made immediately before his death.

(*5*) The fee payable on an application for the grant of probate or letters of administration shall comprise—

(*i*) a fee, at the rate or rates prescribed by the fourth schedule, computed—

(*a*) where the application is made within one year of the death of the deceased, according to the value of the estate in British India at the date of the death, or

(*b*) where the application is made after the expiry of one year from the date of the death, according to the value of the estate in British India at the date of the application, and

(*ii*) a fee equal to the simple interest at six per centum per annum on the fee referred to in sub-clause (*i*) from the date of the death to the date of payment.

(6) For the purpose of the computation of such fee, the items mentioned in Annexure B of Part I of the Third Schedule shall be deducted from the value of the estate:

Provided that, when an application is made for probate or letters of administration in respect of part only of an estate, no debt, no expenses connected with any funeral rites or ceremonies, and no mortgage incumbrance on any part of the estate other than that in respect of which the application is made, shall be deducted.

Application to the Court, and powers of the Court.

19D. (*1*) If the applicant for probate or letters of administration is dissatisfied with the valuation of the estate as reported by the Collector, he may, by application made to the Court at any time before the expiry of ninety days from the date of the grant of probate or letters, as the case may be, move the Court to hold an inquiry into the true value thereof.

(*2*) The Court on receipt of such application shall hold, or cause to be held by any Court or officer subordinate to it, an inquiry as to the true value at which the estate of the deceased should have been estimated. The Collector shall be deemed to be a party to the inquiry.

(*3*) For the purposes of any such inquiry, the Court, or the Court or officer authorized by the Court to hold the inquiry, may examine the petitioner for probate or letters of administration on oath either in person or by commission, and may take such further evidence as may be produced to prove the true value of the estate, and, where the inquiry has been entrusted to a subordinate Court or officer, such Court or officer shall return to the Court the evidence taken and report the result of the inquiry, and such report and the evidence so taken shall be evidence in the proceedings.

(*4*) The Court on the completion of the inquiry or on receipt of the report referred to in sub-section (*3*), as the case may be, shall record a finding as to the true value of which the estate should have been estimated, and such finding shall, save as hereinafter provided in sections 19F and 19G, be final.

(*5*) The Court shall have power to confirm or to increase or decrease the valuation as reported by the Collector under section 19A.

(*6*) The Court may make such order, in accordance with the provisions of the Code of Civil Procedure, 1908, as to the costs of the inquiry, as it thinks fit. V of 1908.

Relief in cases of several grants.

19E. (*1*) Whenever a grant of probate or letters of administration is made in respect of the whole of the property belonging to an estate, and the full fee payable under this Act in respect of the application for such grant has been paid thereon, no fee shall be payable when a like grant is made in respect of the whole or any part of the same property belonging to the same estate.

(*2*) Whenever such grant has been made in respect of any property forming part of an estate, the amount of fees actually paid under this Act in respect thereof shall be deducted when a like grant is made in respect of property belonging to the same estate, identical with or including the property to which the former grant relates.

Relief where too high a fee has been paid.

19F. If, at any time after the grant of probate or letters of administration of an estate, it is discovered by the executor or administrator of the estate, as the result of the finding of the Court under sub-section (*4*) of section 19D or otherwise, that a larger fee has been paid than was payable according to the true value of the estate, the executor or administrator, as the case may be, may apply for a refund to the Collector by whom the report as to the correct valuation of the estate was made under section 19A. The application shall be accompanied by an amended valuation in the form set forth in Part II of the Third Schedule, together with the probate or letters of administration upon which a refund is sought, and the Collector, if he is satisfied that the amended valuation is correct, shall—

(*a*) endorse a certificate on the stamped probate or letters of administration to the effect that so much duty out of that represented by the stamp or stamps used has been refunded, and

(*b*) issue a certificate for the refund of the difference between the duty originally paid and that which should have been paid:

Provided that no refund shall be granted under this section unless the application for refund is made within three years of the date of the grant of the probate or letters of administration, or within such further period as the Collector may allow.

Provision for case in which too low a fee has been paid.

19G. (*1*) If, at any time after the grant of probate or letters of administration of an estate, it is discovered by the Revenue authorities, as the result of the finding of the Court under sub-section (*4*) of section 19D or otherwise, that a less fee has been paid than was payable according to the true value of the estate, the executor or administrator, as the case may be, shall, within six months of a requisition being made to him in this behalf by the Revenue authorities, submit to the Collector by whom the report as to the correct valuation of the estate was made under section 19A an amended valuation in the form set forth in Part II of the Third Schedule, together with the probate or letters of administration, and shall at the same time pay the difference between the fee already paid and the fee which would have been payable according to the true value of the estate, together with twelve per centum per annum simple interest on such difference from the date of payment of the fee originally paid till the date of payment of the said difference or for such less period as the Collector may think proper. The Collector shall thereupon cause the probate or letters of administration to be duly stamped according to the amended value of the estate:

Provided that no such requisition shall be made after the expiry of three years from the date of the grant of the probate or letters of administration, as the case may be.

(*2*) If any person fails to comply within six months with a requisition made to him under sub-section (*1*), the Collector shall inform the Chief Controlling Revenue authority for the local area in which the probate or letters has or have been granted, and the Chief Controlling Revenue authority, after giving notice to the said person, may impose on him a penalty of a sum not exceeding ten times the difference between the proper fee payable and the fee already paid, and, on the payment of such sum and of any sum which he has been required to pay under sub-section (*1*), shall direct the Collector to cause the probate to be duly stamped according to the amended value of the estate.

(*3*) The Chief Controlling Revenue authority may remit the whole or part of any penalty imposed by it under sub-section (*2*).

Recovery of fee or penalty.

19H. Any costs payable by an executor or administrator and any sum payable under sub-section (*1*) or sub-section (*2*) of section 19G may, on the certificate of the Collector, be recovered from the executor or administrator, as the case may be, in like manner as an arrear of land revenue.

Sections 4, 6 and 28 not to apply to probates.

19I. Nothing in section 4, section 6 or section 28 shall apply to probates or letters of administration.

Provided that, when a document, on which the whole or any part of the fee prescribed by this Act has not been paid, is produced, or has through mistake or inadvertence been received, in any Court or public office, the Court or head of the office may, in its or his discretion, at any time allow the person by whom such fee is payable to pay the fee or part thereof, as the case may be, and upon such payment the document shall have the same force and effect as if the full fee had been paid in the first instance."

STATEMENT OF OBJECTS AND REASONS.

The Court-fees Act, 1870, has been in force for over fifty years and there are various anomalies and defects in it, which are a source of conflicting decisions and of inconvenience to litigants. Accordingly in August, 1916, the Government of India addressed the Local Governments, proposing certain amendments in the Act and asking for further suggestions. No immediate action however was taken by the Government of India upon the opinions received.

In 1920, under the Devolution Rules, "Judicial Stamps" became a provincial reserved subject; and in 1922 and 1923 eight local Legislatures amended the Schedules to the Act and also certain provisions in the Act itself, in order to raise additional revenue. The need for an amending Act in the Indian Legislature to deal with the procedure, principle and methods of realising fees has, however, not decreased, but on the contrary has become the more urgent as it is desirable as far as possible to co-ordinate the law prevailing in the different Provinces. The Government of India therefore again addressed the Local Governments in 1923 and received further suggestions from them.

In accordence with the replies received, it was decided to proceed with legislation on the abovementioned lines in the Indian Legislature. The object of the Bill is to revise the whole Act and bring it up to date. Its object is not to increase the provincial revenue from court fees, though possibly the removal of some of the existing anomalies may secure some slight increase. Several amendments which have been recently passed in the Madras Legislative Council and other local Legislatures are incorporated with slight alterations in the Bill.

The First and Second Schedules to the Act have not been amended, except in so far as they deal with Probate, Letters of Administration and Succession Certificates; and paragraph V of section 7, which is concerned with the valuation of immoveable property, has also, except in one comparatively unimportant particular, been left untouched. The main alterations proposed in the Bill are extensive changes in the remaining provisions of section 7 and the entire redrafting of the existing Chapter III A, which deals with Probates and Letters of Administration. It is also proposed to equalise the fees on applications for Probates, Letters of Administration and Succession Certificates throughout India. The main provisions are explained in the following Notes on Clauses :—

Notes on Clauses.

Clause 2.—The definition of "Chief Controlling Revenue authority" is brought up to date.

"Memorandum of appeal" is defined as including a memorandum of cross-objection. This follows section 2 (2) of Madras Act V of 1922, and is designed to meet the hardship mentioned in Lakhan Singh *versus* Ram Kishan (I. L. R., 4 All., p. 93).

"Suit" is defined as including an appeal. This is not intended to change the law on the subject, but to confirm the view adopted in Sangat Baksh Singh *versus* Rawat Dijdeo Baksh (25 Oudh Cases, p. 30) and Dyal Singh *versus* Ram Rakha (15 Indian Cases, p. 463). There are still conflicting decisions on the point.

Clause 7 (a).—The amendment is designed to show that, in an appeal by a defendant, court-fee is payable on interest from the date of the presentation of the plaint to the date of the decree (and not beyond that date), and in an appeal by the plaintiff, on any additional interest claimed by him. There are conflicting decisions in respect of the words "amount claimed".

Clause 7 (b) and first part of clause 7 (c).—It is agreed that paragraph iv of section 7, which deals with cases in which the plaintiff is allowed to value the relief sought, is very unsatisfactory. The provisions in these clauses include :—

(*a*) one based on that which was contained in section 2 (*b*) of Bombay Act I of 1922, namely, that relief should be valued at not less than Rs. 200 in all cases falling under this paragraph ;

(*b*) another based on that contained in section 6 of Madras Act V of 1922, namely, that, in suits for a declaratory decree where consequential relief is prayed and which relate to immoveable property, the fee shall be calculated on not less than one-half the computed value of the property ;

(*c*) another that in a suit for accounts, where the decree is in accordrnce with the plaint, the defendant, if he appeals, shall not be allowed to put his own valuation on the memorandum of appeal. This follows the decision in Dhupati *versus* Perindevamma (I. L. R. 39 Mad., p. 725), as opposed to the ruling of the Allahabad High Court in Kanhaiya *versus* Seth Ram (I. L. R. 44 All., p. 542) ; and

(*d*) another indicating that sub-clause (*b*) of paragraph iv relates to a case in which the claim of a persom applying for the partition of joint family property, etc., is not denied ; and by a further paragraph iva, included in clause 7 (*c*), it is provided that, where the claim to be a co-parcener is denied, the person shall pay fee on the share claimed. This follows generally the lines of the rulings of the Calcutta and Allahabad High Courts, as opposed to the rulings of the Madras High Court.

Second part of clause 7 (c).—This deals with suits for the cancellation of decrees. The fee in such cases will be based on the value of the property in question. This provision follows section 7 of Madras Act V of 1922.

Clause 7 (e).—This amendment deals with suits for pre-emption, and is intended to meet the grievance alleged in the case of "Daryao Singh *versus* Bharat Singh" (I. L. R. 32 All. p. 19). The intention is that the fee should be computed on the market-value of the property, when, for instance, the property is subject to a heavy mortgage and the suit is only for the equity of redemption.

Clause 7 (f).—Paragraph viii has been redrafted so as to indicate that in suits to set aside an attachment and also in suits under Rule 63 of Order XXI in the Code of Civil Procedure, a fee should be paid according to the value of the attached property or the amount for which the property was attached, whichever is less. (*Cf.* the Privy Council Ruling I L. R. 35 Cal., p. 202.)

Clause 7(g).—It is generally recognised that a change is necessary in paragraph ix of section 7, which deals with suits for redemption and foreclosure. Amendments have been made accordingly both by the United Provinces and the Central Provinces Legislative Councils. The provision in the Bill is based on section 4 of the Central Provinces Act I of 1923. A fee computed merely on the principal money is quite inadequate in suits for foreclosure.

Clause 8.—The intention of this clause is that the amount at which the plaintiff may value his relief shall not be arbitrary, and that the Court in which the suit or memorandum of appeal is filed shall be able at any stage of the suit or appeal, as the case may be, to check the valuation and to direct that additional fee shall be paid, failing which the part of the suit in question shall be dismissed. There have been conflicting rulings in respect of the power of the Courts to check the valuation and to demand additional fees.

Clause 9.—It has been found by experience that very exorbitant claims are made in references in land acquisition cases, because no fee is charged on such references. The proposal in this clause is designed merely to discourage exhorbitant claims. No fee will be charged except in cases where the amount claimed exceeds double the amount subsequently awarded by the Court. The provision regarding appeals in such cases remains unchanged. The proposal in this clause involves the amendment of paragraph xxii of section 19.

Clause 11.—Section 11 has been redrafted in order to increase its scope, and to show that the fee is payable on the additional mesne profits found, for example, in a final decree under rule 12 (*2*) of Order XX in the Code of Civil Procedure. The second paragraph of section 11, which is obsolete, is omitted.

Clause 12.—This amendment makes it clear that the finality in sub-section (*1*) of section 12 does not apply to cases in which the classification of the suit is not correct. There have been conflicting rulings on this point.

Clause 13.—Section 17 regarding multifarious suits has occasioned considerable difficulty, especially in respect of the words "distinct subjects." The section has been redrafted in order to deal with this difficulty For "distinct subjects" the words "separate and distinct causes of action" have been substituted.

By *Clause 14* a new Chapter IV, regarding Probates and Letters of Administration, has been inserted in the Act in the place of the existing Chapter III A, which has proved to be unsatisfactory. The new Chapter is based on the existing Chapter, but the order of the sections has been changed, and several additions have been made, particularly in new sections 19C, 19F and 19G. The existing provisions were introduced partly in 1875 and partly in 1899, and the two parts of the Chapter do not appear to have been properly co-ordinated.

The more imortant changes made are mentioned briefly below :—

New section 19A is based on the first part of existing section 19H. Except, in regard to the penalty under new section 19G action is to be taken in this Chapter by the Collector and not by the Chief Controlling Revenue authority. It is provided, therefore, in new section 19A that the High Court (as well as other Courts) shall send intimation direct to the Collector.

New section 19B enables the Collector to summon witnesses and compel the production of documents, as required.

New section 19C describes the circumstances in which probate may be granted. It provides for the grant of probate in certain cases before the fee on the net value of the estate has been actually paid ; and also lays down that no fee shall be paid on trust property. The fee is to be calculated on the value of the estate of a deceased person at the time of his death, except when the application for probate is made more than a year after the death of the deceased, in which case it is to be calculated on the value at the date of application owing to the difficulty of ascertaining the value at the date of death. In view of the above concession, six per cent. simple interest on such fee is also to be paid in all cases from the date of death to the date of payment. The section further lays down that a member of a joint Hindu family under Mitakshara Law, if he applies for probate in respect of the estate of a deceased co-parcener, must pay fee on the share of the deceased ; there have been conflicting rulings on this point, and the proposal is very generally accepted by the members of the Hindu community consulted. The last provision in the section is that full deductions under Annexure B from the value of the estate shall be made only when the application is for probate of the whole estate.

New section 19D is based on the latter part of existing section 19H ; but it provides that, instead of the Collector moving the Court, the applicant himself may, if so disposed, move the Court to make an inquiry as to the value of the estate. Sub-section (*6*) provides that the Court may pass orders regarding the costs of an inquiry.

New section 19E is the existing section 19C.

New sections 19F and 19G correspond fairly closely with existing sections 19A and 19E. They deal with the cases where the valuation on which fee has been paid is afterwards found to be incorrect. Similar provisions have been made for the two cases, namely, the case where too much was paid at first and the case where too little was paid at first. The stringency of the law contained in the existing section 19E has been considerably modified ; and the only penalty imposed upon a person who has paid too low a fee in the first instance, unless he contumaciously refuses to pay the balance of fee due from him, will be an additional six per cent. simple interest on the balance. A time

limit of three years has been included, alike in the case where too little and where too much was first paid. The procedure for remission, if too high a fee has been paid, is simplified.

New sections 19H and 19I follow existing sections 19J and 19K with minor alterations.

Existing sections 19B, 19D, 19F and 19G, which are no longer required, are omitted.

Clause 17.—This includes a provision based on section 149 of the Code of Civil Procedure, as it is considered more appropriate to include it in the Court-fees Act than in the Code of Civil Procedure. Section 149 of the Code of Civil Procedure is repealed by the Third Schedule.

Clause 18.—This brings into two sections the rule-making provisions, which are now scattered over seven sections in four different Chapters of the existing Act, namely, sections 19H, 20, 21, 22, 23, 27 and 34. Chapter IV and sections 27 and 34 are accordingly repealed.

Additional rule-making powers are accorded in new section 30B with reference to the granting of an allowance for used, damaged or spoiled stamps. Sub-section *3*) of this section is based on section 53 of the Indian Stamp Act, 1899.

Clause 19.—This extends the powers of Local Governments to reduce or remit fees.

Clauses 20 and 21.—These clauses amongst other alterations substitute for Articles 11 12 and 12A of the First Schedule of the Court-fees Act, 1870, a new Fourth Schedule dealing with the fees to be paid for Probates, Letters of Administration, and Succession Certificates. The object of these amendments is that there should be a uniform rate of fees for probates, etc., throughout India. It has been brought to the notice of the Government of India that certain difficulties are arising from the different fees now leviable. It is pointed out by the High Court of Calcutta that "in the case of Probate and Administration duties it would be advantageous if the rates could be kept uniform throughout India, and it is a matter for consideration whether the Central Legislature might not properly be asked to take measures to ensure such uniformity." Probate in certain cases extends to the whole of India, and it is, therefore, desirable that the rate of fees for probates should be the same throughout India. The provisions of the last paragraph of section 99 of the Probate and Administration Act, 1881, also point to the same conclusion. The provisions contained in the Bill apply the rates in force in Bengal, which rates are also enforced in Bihar and Orissa, and in Assam, to the whole of India, except in the case of Succession Certificates, where the uniform rate proposed will probably secure a less revenue than in the case of the Bengal rate.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 25th March 1924 :—

No. 22 OF 1924.

A Bill to validate certain insufficiently and incorrectly stamped instruments.

WHEREAS it is expedient to make provision for validating certain insufficiently and incorrectly stamped instruments; It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*1*) This Act may be called the Indian Stamp (Validating) Act, 192 ;

(*2*) It extends to the whole of British India, including British Baluchistan, the Sonthal Parganas and the Pargana of Spiti ; and

(*3*) It shall come into force on the 192 .

Definitions.

2. In this Act, unless there is something repugnant in the subject or context,—

(*a*) 'the old Act' means the Indian Stamp Act, 1899. II of 1899.

(*b*) 'the new Act' means the Indian Stamp (Amendment) Act, 1923. XLIII of 1923

(*c*) 'instruments' means promissory notes as defined by section 2 (*22*) of the old Act and also the documents mentioned in Articles No. 19, No. 36, No. 37 and No. 52 of Schedule I to the old Act.

(*d*) 'incorrectly stamped' means not stamped with stamps of the proper denomination.

Saving of instruments insufficiently stamped.

3. Notwithstanding the provisions contained in the new Act instruments executed on or before the thirty-first day of December, 1923, and validly stamped in accordance with the provisions of the old Act shall not be invalid or inadmissible in evidence by reason only of their being insufficiently or incorrectly stamped under the new Act.

Insufficiently stamped instruments to be deemed duly stamped under the new Act.

4. The instruments mentioned in section 3 above shall be admitted in evidence for any purpose by any person having by law or consent of parties authority to receive evidence, and shall be acted upon, registered or authenticated by any such person or by any public officer, as if they were duly stamped under the new Act.

STATEMENT OF OBJECTS AND REASONS.

The Indian Stamp (Amendment) Act of 1923 is said to have received the assent of the Governor General on the 1st October 1923. The Act was, however, published in the Gazette of India only on the 6th October and in the Fort Saint George Gazette on the 16th October 1923. It is not stated definitely when the Act comes into operation. Under section 5 (*1*) of the General Clauses Act, 1897, it would, therefore, come into operation on the day on which it received the assent of the Governor General. Documents executed between the 1st and the 16th October would in all probability have been stamped under

the old Act. A suit to enforce such promissory notes for more than Rs. 250 and executed between these two dates would be unsustainable as the document could not be put in evidence and stamp penalty could not be levied therefor. (*Vide* sections 35, 40 and 41 of the Stamp Act.) Such cases would result in serious hardship, and it is proper that legislative sanction must be given to such documents. It is but reasonable that some time must be allowed to elapse before the public can be expected to become aware of the provisions of the Amending Act. The object of this Bill is, therefore, to validate all such documents executed before the 31st December 1923, provided they are validly stamped under the old Act. Provision is also made in the Bill to validate such documents executed before the 31st December 1923, even if they are not stamped with stamps of the proper denominations as required by the rules made under the Amending Act

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 25th March 1924 :—

No. 24 OF 1924.

A Bill further to amend the Indian Evidence Act, 1872.

WHEREAS it is expedient further to amend the Indian Evidence Act, 1872 ; It is hereby enacted as follows— I of 1872.

Short title and commencement

1. (*1*) This Act may be called the Indian Evidence (Amendment) Act, 192 .

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Amendment of section 68, Act I of 1872.

2. To section 68 of the Indian Evidence Act, 1872, the following *Explanation* shall be added, namely :— I of 1872

"*Explanation.*—Proof of execution under this section may be presumed to have been made where the attestor proves his presence at the execution or the acknowledgment thereof by the executant."

STATEMENT OF OBJECTS AND REASONS.

In 35 Madras 607 the Privy Council have decided that the word "attested" within the meaning of section 59 of the Transfer of Property Act, means actual seeing of the execution by the attestor. Section 68 of the Evidence Act gives the mode of proof to be given of documents that require by law to be attested. The decision of the Privy Council has caused considerable difficulty in administering justice even when a party is *ex parte* or admits execution, if the attestors are gained over. A Bill to amend section 114 of the Indian Evidence Act to serve the end in view was opposed by the Government on 21st February 1924 as not suitable and disallowed. But it was commonly felt that a remedy for this state of things was necessary. The previous attempts have not been fruitful also. It is proper that the needed amendment must be made to section 59 of the Transfer of Property Act or section 68 or section 114 of the Indian Evidence Act. It is submitted that though the substantive law may continue as before, the proof needed may be modified so as to give scope for justice being rendered where formal impediments stand in the way. Difficulties have arisen in enforcing documents offered to give immoveable property security. The Bill is intended to serve the ends of justice.

The scope and principle of the Bill is to find the suitable amendment. It might be noted that in section 59 of the Transfer of Property Act the words used are "signed by the mortgagor and attested".

The annual interest is Rs. 37,629, which is banked with the Imperial Bank of India. The year opened with a cash balance of Rs. 20,652-3-6 and closed with one of Rs. 18,961-12-9.

III. **Election to vacancies, etc.**—(1) The annual election of wards was held on Monday, the 8th January. For the 24 vacancies advertised 61 applications were received, and 24 girls were elected on the recommendation of a sub-committee consisting of the Ven. J. Godber, the Rev. T. Van der Schueren, S. J., the Rev. E. B. Joyner, and Mr. Maurice Remfrey. Of the girls elected, 9 were placed in the Loreto Convent, Entally, (1 in the 1st, and 8 in the 2nd, Boarding School), 4 in the Loreto Convent, Asansol, 6 in the Calcutta Girls' High School, 3 in the Pratt Memorial School, 1 in St. Thomas' School (late Calcutta Free School) and 1 in the Old Church Parochial Home.

(2) Of the 15 girls withdrawn during the year, 11 had attained the age of 17, the limit ordinarily allowed under the rules, and 4 were withdrawn for other reasons.

(3) Of the girls who had been withdrawn during the preceding year, and in respect of whom reports have been received during the year under review, 2 have joined the Bengal Telephone Company, 4 have found employment as shorthand typists in different firms, and 1 is married.

Total ...	57	24	11	92

(*6*) The health of the wards were generally satisfactory. There were no deaths.

IV. **Education and maintenance.**—(*1*) The nature of the education given to the wards was that prescribed for Higher Grade Schools under the Code of Regulations for European Schools in Bengal, and in a few cases, that for Secondary Schools.

(*2*) The Governors are anxious that their wards should not be allowed to drift when they leave school, and have accordingly asked the Visiting-Governor to report in consultation with the School Authorities and the girls themselves, who have attained or are about to attain the age of 15, some definite proposals, where this seems desirable, so that the last two years of their school-life may be spent to the best advantage and be a preparation for earning a living.

(*3*) Three wards were sent up for the Junior Cambridge Local Examination in December 1922, and all passed. Two were sent up for the Higher Grade School Final Examination, and both passed Another girl went up for the Commercial Course Examinations, and passed. Some wards appeared at the Cambridge Local Examinations held in December 1923 ; the result of which are not yet known.

(*4*) Under the rules a girl is not ordinarily allowed to remain on the Fund after the age of 17, when an outfit of Rs. 100 is generally given on application, to enable her to make a start in life. In cases where wards wish to be trained as teachers, and have the support of the School Authorities, or where some other, special training is recommended, or they are preparing for higher examinations, some extension of the period of benefit is generally allowed. One girl was granted a year's extension to enable her to learn dress-making in school, another was granted a year's extension and placed in the school hospital for training as a nurse ; a third was granted a few months' extension to complete her course in shorthand and typewriting.

(*5*) The monthly average cost for the education and maintenance of each ward amounted to Rs. 25-9-9 against Rs. 25-2 in the preceding year.

(*6*) The amounts paid under the different heads of expenditure were as noted below :—

	1923.			1922.

V. **Inspection.**—The Most Rev. the Lord Bishop of Calcutta was appointed Visiting-Governor for the first-half, and Mr. Maurice Remfry for the second half, of the year. The Bishop saw all the wards with the exception of 4 at Kidderpore House, and 1 at La Martinière. Mr. Remfry visited all the schools in Calcutta having Bruce wards, except St. Thomas' School (late Calcutta Free School) and La Martinère. They found that, on the whole, the wards looked fairly well. Mr. Remfry remarked that the wards had very little idea of the purchasing price of money. Although quite a number stated that they made their own clothing, not one could state the cost. He suggested that it would be exceedingly desirable that an effort should be made to give some practical training to the wards, some of whom had not the advantage of parents to give this instruction, and others the disadvantage of inefficient home management.

Mr. W. W. Hornell, late Director of Public Instruction, Bengal, visited the Loreto Convent, Asansol, in November. He found all the wards were in excellent health and they seemed to be thoroughly happy.

VI. **Meetings.**—Four meetings were held during the year, but there was no resolution of general importance calling for special mention.

SIMLA, THE 6TH MAY 1924.

RESOLUTION—No. S.-217.

In their Resolution No. 81-D., dated the 15th November 1919, the Government of India announced their intention to constitute a committee to deal with the proposal made by the Indian Industrial Commission for the creation of an Indian Stores Department. The terms of reference and personnel of this Committee were announced in Resolution No. S.-506-11, dated the 5th December 1919. The Committee were directed to enquire and report on the measures required to enable Government Departments to obtain their requirements as far as possible in India, what central and local agencies should be constituted for the purchase and inspection of such requirements and what modifications of the Stores Purchase Rules would be required to give effect to their recommendations. This Committee submitted its report to the Government of India on the 19th July 1920.

2. The Committee were unable to agree in regard to the modifications which should be made in the Stores Purchase Rules and certain alternative recommendations were offered. After careful consideration of these alternatives the Government of India arrived at certain provisional conclusions, which, together with a revised draft of the Stores Purchase Rules, were sent to the Provincial Governments for their consideration and advice. In the meantime the purchase of stores by Governors' Provinces had ceased, under the reformed constitution, to be a central subject. It was accordingly made clear that the revised rules under consideration were intended for application only to the Government of India and to Provinces other than Governors' Provinces. On receipt of the replies from the Local Governments the revision of the rules was further considered by a Committee of the Legislature (the Railway Industries Committee) which had been appointed in pursuance of a Resolution adopted by the Legislative Assembly on the 2nd March 1922. The rules approved by this Committee were submitted to the Secretary of State for his approval.

3. The Secretary of State in Council has now approved the rules appended to this Resolution, which will henceforth regulate the purchase of stores by all Departments and officers of the Central Government and of the Local Governments and Administrations other than those of the Governors' Provinces. The main features of the new rules consist in the assertion of a more definite preference for stores produced and manufactured, wholly or partly, in India, an important extension of the power to purchase imported stores and the introduction of a central purchasing agency in India, namely, the Indian Stores Department. This Department, as announced on the 10th December 1921, was created on a temporary basis with effect from the 1st January 1922, on which date the Chief Controller of Stores assumed charge of his duties and proceeded to formulate a detailed scheme of organisation. This scheme, after consideration by the Government of India, was submitted to the Secretary of State who has now sanctioned the constitution of the Indian Stores Department on a permanent basis.

4. The revision of the Stores Purchase Rules and the establishment of the Indian Stores Department are the direct outcome of the policy which aims at the encouragement of the industries of the country without sacrificing economy, and the Government of India take this opportunity of impressing upon all Departments and officers purchasing stores the importance which they attach, not only to a strict adherence to the letter of the rules, but also to a loyal observance of the policy underlying them, as stated in the preamble to the rules. The observance of this policy, coupled with utilisation to the fullest possible extent of the services of the Indian Stores Department, will, it is confidently anticipated, promote both the objects which the Government of India have in view, namely, encouragement of manufacture in India and economy in the purchase of Government stores.

ORDER.—Ordered that this Resolution be communicated to all Local Governments and Administrations, the several Departments of the Government of India (including the Financial Adviser, Military Finance), the Private and Military Secretaries to His Excellency the Viceroy, all Heads of Departments subordinate to this Department, the Auditor General and all Accountants General, the Comptroller of Assam, Deputy Accountant General, Central Revenues, Delhi, the Financial Adviser, Posts and Telegraphs, and the Audit Officer, Indian Stores Department.

Ordered also that the Resolution be communicated to the High Commissioner for India and to Chambers of Commerce and that it be published in the Supplement to the *Gazette of India* for general information.

A. H. LEY,
Secretary to the Government of India.

RULES FOR THE SUPPLY OF ARTICLES FOR THE PUBLIC SERVICE.

PREAMBLE.

The policy of the Government of India is to make their purchases of stores for the public service in such a way as to encourage the industries of the country, so far as is consistent with economy and efficiency. In pursuance of this policy the following rules are prescribed, with the sanction of the Secretary of State, for the supply of articles for the public service. These rules, which are subject to any instructions regarding specific articles which have been or may be made by the Government of India with the sanction of the Secretary of State from time to time (*e.g.*, those relating to the supply of stationery and printing stores for the public service), supersede all previous orders which are not explicitly continued.

The rules are applicable to the Government of India and to provinces other than Governor's Provinces.

RULE 1.——Articles manufactured in India from Indian materials.

All articles which are produced in India in the form of raw material, or are manufactured in India from materials produced in India should, in preference to articles not manufactured in India or wholly or partly manufactured in India from imported materials, be purchased locally, provided that the quality is sufficiently good for the purpose, and the price reasonable.

Note.—Although a strict comparison of prices is not enjoyed by this rule, it is essential in the interests of economy that the purchasing officer should take into consideration, so far as may be possible, the price at which articles of similar quality not manufactured or produced in India can be purchased at the time.

RULE 2.—Articles manufactured in India from imported materials.

Articles wholly or partly manufactured in India from imported materials should also be purchased in India in preference to articles not manufactured in India, provided that the quality is sufficiently good and the price not unfavourable.

RULE 3.—Articles which are not manufactured in India.

Articles which are not manufactured in India should be obtained by indent upon the Store Department, London, except in the following cases :—

(*a*) When the articles are already in India at the time of order or are already on their way out, and their price and quality are not unfavourable as compared with those at which similar articles could be obtained through the Store Department, London, and the cost of the supply does not exceed the limits prescribed in Rule 11. When the total value of the articles required is trifling it is generally desirable to purchase them locally.

(*b*) In the case of important construction works let out on contract, articles not manufactured in India required for the construction of such works may be supplied by the contracting firm subject to the following conditions :—

(*i*) That the firm is approved by the Chief Controller of Stores, Indian Stores Department, and is included in the list of firms so approved (List I).

(*ii*) That the materials are subject to the current specifications and tests prescribed by the Government of India.

(*c*) Plant and machinery and component parts thereof may be purchased from branches* established in India of manufacturing firms borne on the list of the Chief Controller of Stores, Indian Stores Department (List II), provided that the following conditions are observed :—

(*i*) That the purchase is made by the Chief Controller of Stores, Indian Stores Department, or by a highly qualified engineer directly responsible to the Government of India for the order so placed.

(*ii*) That the plant and machinery are of standard patterns such as are ordinarily manufactured by the firm, and have actually been so manufactured.

(*iii*) That the branch firm entertains a staff of expert mechanics capable when so required, of erecting and repairing the plant and machinery which it supplies.

(*iv*) That the actual price of the articles (exclusive of any expenditure representing cost of erection) is as low as that at which articles of the same make can be supplied by the Store Department, London.

* Branches may be held to cover approved technical agents of manufacturers who do not merely act as selling agents but are also in a position to render the same kind of technical assistance in India as actual branches of the firms.

(v) That when test or inspection of the plant or machinery during manufacture or before shipment is necessary or desirable arrangements are made for such test and inspection to be carried out by the India Store Department, London.

Note 1.—It should clearly be understood by indenting officers that this rule is subject to the preference which should be given under Rules 1 and 2 to articles of Indian manufacture.

Note 2.—Application for inclusion in the lists mentioned in this rule should be made to the Chief Controller of Stores, Indian Stores Department, direct by the firm with a full statement of the reasons which in its opinion justify such inclusion.

RULE 4.—Articles which should be purchased in India.

The following articles, whether manufactured or produced in India or not, should be purchased in India provided that they comply with the current specifications, are of the requisite quality, and can be obtained at a not unfavourable price :—

(*a*) Those of a perishable nature.

(*b*) Explosives.

(*c*) Block tin.

(*d*) Wines and spirits and bottled beer for the use of Government hospitals in India.

(*e*) Kerosine oil.

(*f*) Plant and materials for electric installations intended to take current from existing centres ; and small electrical power and lighting plants of not more than 25 kilowatt capacity which involve the provision of generators and cables for distribution, provided they comply with the current specifications and tests prescribed by the Government of India.

(*g*) Australian timber.

(*h*) Australian copper.

(*i*) Italian marble.

(*j*) British Columbian timber.

(*k*) Plant and materials for small gas installations, the cost of which does not exceed Rs. 15,000.

(*l*) Cheap articles of common use required in small quantities only.

(*m*) African and Australian coal.

(*n*) Lubricating and fuel oil.

(*o*) Such other classes of articles, that can be obtained more economically in the local market or that cannot conveniently be purchased through the agency of the London Store Department, as may from time to time be prescribed by the Government of India.

RULE 5.—Special purchases in India.

In cases of emergency, or when inconvenience to the public service would be caused by waiting to obtain an article from England through the India Store Department, London, or when, owing to the greater promptitude of supply, an economy can be effected by purchasing in India articles which, under the foregoing rules, should be obtained through that Department, the purchase may be made in India, subject to the limits prescribed in Rule 11, provided that the articles are in India at the time of order or are already on their way out. In such cases, if the value of the articles exceeds Rs. 1,500, the sanctioning officer should place on record the reasons which make the local purchase desirable. This record shall be available for the inspection of the Examiner of Accounts or the supervising officer, when required.

RULE 6.—Inter-departmental purchases.

Nothing in the rules is to be deemed to prohibit the purchase of stores by one department or railway from another.

RULE 7.—Method of obtaining stores not purchased in India.

All articles which, under the foregoing rules, are not to be bought in India, should ordinarily be obtained by indent on the India Store Department, London, except those the

purchase of which outside India is specially authorised by these rules. Such purchase is at present permissible in the case of the following articles :—

(*i*) Seeds.

(*ii*) Cinchona bark.

(*iii*) Articles for experimental or research purposes required by officers approved by the Government of India from time to time. A list of the officers thus approved is given in the Appendix.

(*iv*) Excise instruments and apparatus required by Excise Departments for experimental or research purposes.

(*v*) China, glass, cutlery, plate, crockery and perishable fabrics, including linen for residences which are furnished by Government.

(*vi*) Australian timber.

(*vii*) British Columbian timber.

(*viii*) Such articles as Superintendents of Vaccine Depôts may require for the preparation of vaccine lymph (*e.g.*, lanoline and glycerine).

(*ix*) Chemicals and scientific instruments which do not require careful inspection and testing, or which are of standard description usually quoted by well-known firms, provided that the articles cannot be procured from the Medical Store Depôts.

(*x*) Articles required for Viceregal residences in special and urgent cases.

Note.—Payments for stores purchased under this rule should be made direct to the suppliers by the purchasing officers.

RULE 8.—Method of comparing prices.

In all cases in which the selection of source of supply depends upon comparison of prices the procedure to be adopted for such a comparison is as follows :—

(*i*) A reference should be made to Home prices notified continually by the India Store Department, London, to the Chief Controller of Stores, Indian Stores Department, or as otherwise ascertained, and freight should be added at the current rates paid by the India Store Department, London, together with such charges for interest, insurance, and freight brokerage as may be declared from time to time by the Chief Controller of Stores.

(*ii*) In cases of important contracts, the prices ruling in the English market should be ascertained by telegraphic reference to the India Store Department, London.

(*iii*) In cases where the necessary information as to Home prices is not available the purchase in India shall be subject to the condition that the price is reasonable.

(*iv*) In order to arrive at the market value at an Indian port of the article imported from England the following charges shall be included :—

(*a*) Landing, wharfage, and port charges.

(*b*) Customs duty as shown in the tariff to be applicable to the article in question, to be calculated on its cost *plus* the additional charges mentioned in the earlier part of this rule.

(*v*) The cost of carriage to site from port or place of manufacture, as the case may be, shall be taken into account.

RULE 9.—Tests.

Any articles purchased in India which should be tested are liable to the specifications laid down from time to time by competent authority, with the approval of the Government of India, and should be required to pass the tests prescribed for such articles.

RULE 10.—Firms from which iron and steel may be bought in India.

Important iron and steel work, if purchased in India, should only be obtained from firms approved by the Chief Controller of Stores, Indian Stores Department, and entered in a schedule as corrected from time to time by that officer (List III).

Note 1.—By "important iron or steel work" are meant articles of iron or steel which form important components of the project in hand, *e.g.*, bridge girders and roof trusses, built up in the firm's workshops and supplied ready for erection, in such sections as may be convenient, and rolled steel beams, rails or other sections cut to length or otherwise prepared at the firm's workshops to suit the indenting officer's requirements. The intention of the rule is to ensure that parts, the accurate preparation of which is essential to the security of a project, shall be obtained only from firms which possess workshops and appliances capable of turning out work of the desired standard. The raw materials used may be either imported or of Indian manufacture, subject to the usual specifications.

Note 2.—For the procedure to be followed by firms desiring to be included in the list mentioned in this rule see Note 2 to Rule 3.

RULE 11.—Financial limits on powers of officers to make purchases in India.

A Department or officer's financial powers in the matter of the purchase of stores ordinarily extend to the limits to which it or he is empowered to enter into contracts ; but in the case of purchases made in India under rule 3 (*a*) and rule 5, the limits up to which power to purchase any one article or any number of similar articles purchased at one time extends are as follows :—

Students may live with their parents or with approved guardians with the special permission of the Principal. The messing charges for Hindu students average about Rs. 10 per month. DEPARTMENT OF AGRICULTURE, BENGAL.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1923-24.

(NOTE.—On an average of the five years ending 1921-22, the area under linseed in Bengal has represented some 5·4 per cent. and that under rape and mustard 17·5 per cent. of the total areas under these crops in British India.)

Character of the season.—As indicated in preceding forecasts, the weather was generally favourable at the outset, but subsequently the crop was damaged by a long spell of drought which considerably reduced the outturn in many districts. On the whole the season has been an unfavourable one.

Acreage.—The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 882,500 acres this year as against 905,400 acres last year.

Outturn.—From the District Officer's estimates, the provincial outturn of the different liseed crops works out at 72 per cent. of the normal as against 78 per cent. last year.

Taking 5¾ maunds as the normal rate of yield per acre for linseed, 6 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yield for the Province is estimated at 137,800 tons this year as against 153,400 tons last year.

Director of Agriculture, Bengal (offg.).

DEPARTMENT OF AGRICULTURE, BENGAL.

Final Forecast of the *Wheat* Crop of Bengal, 1923-24.

[NOTE.—On an average of the five years ending 1921-22, the area under wheat in Bengal has represented some 0·4 per cent of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India, (*b*) in the territory now reported on has, in the five years ending 1921-22, averaged (*a*) 44·3, and (*b*) 13·2 per cent. respectively.]

Character of the Season.—At the time when the third forecast was issued the harvesting of the crop was already begun. The dry weather which continued up to the middle of April was favourable for threshing operation.

Area Sown.—According to the District Officers' estimates, the total area sown amounts to 120,400 acres this year against 124,800 acres last year.

Outturn.—From the district estimates the provincial outturn works out at 62 per cent. of the normal against 75 per cent. last year.

Taking the normal yield to be 8¼ maunds per acre, the gross yield of the crop for the Province is estimated at 22,900 tons this year against 28,700 tons last year.

At the end of April, the average wholesale price of wheat at the principal marts of the Province was Rs. 5-5-4 per maund or about 3·03 per cent. and 21·5 per cent. lower than the prices ruling at the corresponding periods of last year and the year preceding respectively. The average wholesale price of common rice at the principal marts, on the other hand was Rs. 5-11-5 or about 0·36 per cent. and 7 per cent. lower than the prices at the corresponding periods of last year and the year preceding, respectively.

DEPARTMENT OF AGRICULTURE, BENGAL.

Monthly Weather and Crop Report of Bengal for April, 1924.

I. **Character of the season.**—The weather was exceptionally hot and dry till the middle of the month after which precipitation occurred over the greater part of the Province especially in North and East Bengal. The usual rainfall statement is appended.

II. **Progress of agricultural operations.**—The rain during the second-half of the month facilitated the cultivation of khariff crops which had been brought to a standstill by drought, and revived the prospects of jute, autumn and deep water paddy, sowings of which had been seriously delayed especially in the low lands of Eastern Bengal.

III. **State of standing crops.**—The condition of standing crops was reported to be fairly satisfactory.

IV. **Prospects and probable outturn.**—The outlook of *til*, paddy and jute appears to be promising in Eastern Bengal. Wheat yielded about 62 per cent. of the average.

V. **Damage to standing crops.**—Damage to summer rice and mango crop by hail-storm was reported from Malda.

VI. **Condition of agricultural stock.**—The condition of live-stock was reported to be satisfactory. Sporadic cases of cattle disease were, however, reported from parts of fifteen districts.

VII. **Failure of pasturage and fodder.**—Insufficiency of fodder was not reported from any part of the Province.

VIII. **Prices of food-grains.**—During the second fortnight of the month, the prices of common rice of the cheapest quality fell in two districts, rose in eleven districts and remained stationary in the rest of the Presidency. The price ranged from 6½ seers per rupee at Rangpur to 9 seers per rupee at Midnapore.

IX. **Condition of agricultural population.**—The condition of the agricultural population was reported to be satisfactory on the whole.

Election case No. 5 of 1924.

A. Suhrawardy

versus

Maulvi Wahed Hossain.

Report.

This was a petition of Dr. Suhrawardy against the election of Maulvi Wahed Hossain from the Barrackpore Municipal Mahomedan Constituency. The ground taken was that his nomination paper was improperly rejected by the Returning Officer.

On the petition coming up for hearing Dr. A. Suhrawardy filed a petition asking our leave to withdraw from his election petition. He submitted that he should not be made liable for any costs in this case. Maulvi Wahed Hossain consented to the petition of withdrawal and did not press for costs.

There were no other parties to the petition.

The only question was whether the application was induced by any bargain or consideration which ought not to be allowed.

It appeared that Dr. A. Suhrawardy was elected to the Bengal Legislative Council from another constituency and he did not wish to press the present petition.

We examined Dr. Suhrawardy and Maulvi Wahed Hossain and were satisfied that the application was not induced by any bargain or consideration. We therefore allowed the petition to be withdrawn.

The petition was allowed to be withdrawn on 1st February 1924, the date fixed for the case. Notice of the withdrawal of the election petition of Dr. A. Suhrawardy was published in the *Calcutta Gazette* of 20th February 1924. No one has appeared up to now and applied to be substituted as a petitioner in place of the party withdrawing and continue the proceedings. We therefore submit the record of the case with our recommendation that the parties should bear their own costs.

President.

NOTIFICATION.

No. 6983A.—The 31st May 1924.—The following provisional rules to regulate the recruitment by examination of certain of the provincial and other services in Bengal during 1924 are published for general information. A separate announcement will be

made of the dates and place of the examination. Existing orders regarding the partial recruitment of any of these services by promotion will remain unaffected :—

RULES.

1. **Extent of application.**—These rules apply to the direct recruitment of the Bengal Civil Service (Executive), the Bengal Excise Service, the Bengal Police Service, the Subordinate Civil Service, Income-tax officers recruited by the Commissioner of Income-tax, Bengal, the Subordinate Excise Service and the Upper Division of the Secretariat Clerical Service.

2. **Method of direct recruitment.**—Direct recruitment for these services will be made on the results of a competitive examination, but Government and the Commissioner of Income-tax, Bengal, reserve the right to appoint by nomination from the list of qualified examinees individual candidates belonging to the backward classes and other minorities if the results of the examination fail to secure the representation of such classes or communities, and in the case of the Upper Division of the Secretariat Clerical Service to fill European and Anglo-Indian vacancies by selection from outside the list. The Commissioner of Income-tax also reserves the right to make appointments by nomination to posts for which special, technical or linguistic qualifications are essential.

3. **Choice of service.**—Each candidate for direct recruitment will be required to specify in his application the service or services for which he desires to compete, placing these in the order of his preference, and the choice thus indicated will be final. Appointments will be assigned to successful competitors with due consideration of their choice and the number of vacancies in the various services.

4. **Communal representation.**—The Examining Board will submit to Government separate lists showing (*a*) the Muhammadan candidates, (*b*) candidates belonging to the backward classes and other minorities, and (*c*) all others ; and appointments will be made from these lists in the order of merit of the candidates, provided that the proportion of appointments to be filled by the Muhammadan candidates shall in no case be less than one-third if there are qualified candidates available, and that Government reserve the right to nominate any qualified candidate in list (*b*). In the Upper Division of the Secretariat Clerical Service, the due proportion of Muhammadans is secured by appointing a Muhammadan to every third vacancy in each office if a qualified candidate is available.

5. **Notification of vacancies.**—The number of appointments to be made to these services will be notified as soon as possible after the 1st July. The examination will be held towards the end of the year.

6. **Application for admission to whom addressed.**—A person desiring to be admitted to the examination shall apply, before such date as the Governor in Council may prescribe, to the head of the College from which he passed his examination for the degree of Bachelor of Arts, Science, Commerce, etc. Candidates who passed the examination as non-collegiate students shall send in their applications to the Registrar, Calcutta University ; candidates from Dacca University shall apply to the Registrar, Dacca University. All other candidates (not included in the previously mentioned categories) shall apply to the Director of Public Instruction, Bengal :

7. **Time and manner of application.**—Applications shall be made, before such date as the Governor in Council may prescribe, in the form shown in Schedule I, copies of which may be obtained from the heads of Colleges, the Registrars of the Calcutta and Dacca Universities, and the Director of Public Instruction.

9. **Selection Committee.**—The Governor in Council shall appoint a Selection Committee. This Committee shall be composed of officials and non-officials in equal numbers and be presided over by a high officer of Government.

10. **Nomination.**—The heads of Colleges, the Registrars of the Calcutta and Dacca Universities, and the Director of Public Instruction shall forward to the Selection Committee, before such date as the Governor in Council may prescribe, the applications of candidates nominated in accordance with the allotment of nominations shown in

Schedule II and shall certify the moral character of each candidate so nominated. In making these nominations due regard should be paid to the desirability of different classes and communities being represented in the public service.

11. **Selection certificates.**—In order to make the appraisement of individual merits of candidates possible, the Selection Committee shall issue certificates of selection to such of the nominated candidates, not exceeding 200 in all, as it considers qualified to appear at the examination. The selection or rejection of a candidate by the Selection Committee shall be final, and no candidate shall be admitted to the examination unless he holds such a certificate :

Provided that in making their choice the Selection Committee shall give all possible consideration to the cases of backward class candidates and other minorities and shall call for further nominations from the heads of Colleges or Commissioners of Divisions if the number of selected Muhammadan candidates does not reach the proportion of one-third.

12. **Conditions of eligibility.**—The indispensable qualifications of a candidate are—

Election Case No. 2 of 1924.

Kishori Mohan Chaudhuri ... ... *Petitioner*
versus
Sudarsan Chakrabartti ... ... *Respondent.*

Report.

This case was fixed for hearing at Dinajpur on the 27th February. On behalf of the petitioner an application was made to the Commissioners on the 13th February 1924

to take evidence at Rajshahi. All the Commissioners being present at Dinajpur on the 25th February it was decided by them that the parties would be examined at Dinajpur, but that the evidence of the rest of the witnesses should be taken at Rajshahi by Rai Jadav Chandra Bhattacharyya Bahadur, Commissioner, unless that Commissioner decided that any particular witness or witnesses produced before him should be examined before the full commission. The 27th February was fixed for the commencement of the taking of evidence. The Commissioners also ordered further particulars to be furnished. The Commissioner accordingly commenced taking evidence on the 27th February, but on the 28th February the petitioner filed an application for permission to withdraw the petition. The 7th March was fixed for the hearing of the application at Dinajpur and notice thereof was published in the *Calcutta Gazette* of the 5th March. On the case being taken up on the 7th March neither party was personally present and the Commissioners accordingly adjourned the case to the 8th March for their attendance. On that date after hearing the petitioner personally the Commissioners were satisfied that the charges in the petition had been made without any proper enquiry as to the possibility of proving detailed instances of corrupt practices and that even when called upon to put in details before the Commissioners the petitioner was not in a position to do so, or to know if he could adduce satisfactory evidence to establish the charges made. The Commissioners accordingly allowed the withdrawal of the case which in their opinion ought never to have been brought on such inadequate materials and assessed the costs of the respondent at Rs. 250 which the petitioner was directed to pay.

Notice that the withdrawal of the petition had been allowed by the Commissioners was published in the *Calcutta Gazette* of the 12th March; more than fourteen days have elapsed since that publication and no application for substitution under rule 39 (*5*) (*c*) having been made the case has been disposed of.

For the reasons given in their report in case No. I of 1924 the Commissioners do not include in this formal report the particulars which would have been required had it been a report under rule 45.

E. MILSOM, *President.*
BANAMALI SEN,
JADAV CHANDRA BHATTACHARYYA,
Commissioners.

No. 6992A.—The 31st May 1924.—Whereas the Commissioners appointed under rule 36 (*2*) (*a*) of the Bengal Electoral Rules to enquire into the petition presented by Babu Prem Hari Barma against the election of Babu Jogendra Chandra Chakrabarti to the Bengal Legislative Council have reported to His Excellency the Governor that they have permitted the said Babu Prem Hari Barma, after application duly made, to withdraw his petition;

Now, therefore, in accordance with the provisions of rule 45 (*3*) of the said rules, the following report of the said Commissioners is published for general information.

His Excellency the Governor is pleased further to order that in accordance with the recommendations of the said Commissioners, the petitioner Babu Prem Hari Barma shall pay Rs. 50 to Babu Jogindra Chandra Chakrabarti, respondent No. 1, as costs.

A. N. MOBERLY,
Chief Secretary to the Government of Bengal (offg.).

Election Case No. 1 of 1924.

versus

1. Jogindra Chandra Chakrabarti ... ... } *Respondents.*
2. Tanka Nath Choudhuri ... ... }

Report.

The petition was fixed for hearing on 25th February. On the application of the Respondent No. 1, the President on the 12th February directed the petitioner, under rule 36 (*2*) (*b*) of the Electoral Rules to furnish additional security for Rs. 1,000 within one week. The security was not furnished but on the 18th February the petitioner applied for permission to withdraw. The application was heard by the Commissioners at

25th February and was allowed, the petitioner being directed to pay Rs. 50 as costs to Respondent No. 1, under rule 39 (5) (*a*). Notice that the application for withdrawal had been allowed was published as required by rule 39 (5) (*b*) in the *Calcutta Gazette* of the 5th March. More than fourteen days having elapsed since the publication and no application having been made under rule 39 (5) (*c*), the case has been finally disposed of.

On a consideration of rules 39, 45 and 47 the Commissioners are of opinion that rules 45 and 47 do not apply where a petition is withdrawn with leave of the Commissioners under rule 39; they do not therefore include in this formal report the particulars which would have been required had it been a report, under rule 45.

Notice of the application for withdrawal was not published in the *Calcutta Gazette* as the notice sent for publication did not reach the Press in time to be published in the Gazette of 20th February. The Commissioners being of opinion that the provision in rule 39 (3) as to publication of this notice in the Gazette was merely directory and not mandatory, that an adjournment of the case for such publication would merely cause an unnecessary increase of the costs of the commission and both parties, and that the publication of the fact of withdrawal under rule 39 (5) (*b*) would afford ample opportunity to any qualified person to apply for substitution, decided (as all parties to the petition were present at the hearing), to dispose of the application on the dates fixed, dispensing with a formal compliance with the merely directory provision in rule 39 (3).

JADAV CHANDRA BHATTACHARYYA,

(10) Candidates who at the Final Examination in riding satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of any duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100 ; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Local Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

Selected candidates will also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

(11) Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

(12) The Civil Service Commissioners will prepare lists of the candidates in order of merit ; the order for the one-year probationers being based on the sum of the marks obtained by the Candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the candidates at the Intermediate and Final Examinations.

(13) The selected candidates whose performance in the compulsory subjects of the prescribed Examinations, namely, the Final Examination for one-year men and the Intermediate and Final Examinations for two-year men, is such as to satisfy the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service, provided that they shall comply with the regulations in force, at the time, for that service.

(14) If any Candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements :—

(i) *Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *Except in the case of persons continuing to receive Scholarship allowances of equal or greater amounts from the Government of India an allowance of £300 a year, or, in the case of Selected Candidates possessing an Indian domicile, an allowance of £350 a year, will be given to an candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.*

In the case of Selected Candidates on probation for one year the allowance will be payable in four equal instalments on following dates respectively :—December 24th after his selection, March 25th, June 25th and after signature of Covenant on appointment to the Service.

In the case of Selected Candidates on probation for two-years the allowance will be payable in eight equal instalments, the first on December 24th after selection, the second to the seventh on the six following quarter days and the eighth after signature of Covenant on appointment to the Service.

The payment of the various instalments of the allowance except the final instalment, and, in the case of the two-year probationers, the instalwent payable at the end of the first year of probation, will be conditional on the receipt by the Secretary of State through the Civil Service Commissioners of a certificate that the candidate has fulfilled up to date the requirements of the authorities and shown satisfactory conduct at the approved institution.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N.B.—*The Secretary of State for India gives notice that the amount of the allowances will be re-considered in 1924, with a view to a possible reduction with effect from the instalment payable in December 1925.*

(iii) *A 1st class passage to India will be engaged for Selected Candidates with a view to their proceeding to India during the November following their Final Examination.*

(iv) *Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety jointly and severally to refund all monies he may have received from the Secretary of State for India in the event of :—*

(1) *his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or*

(2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(v) *All candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.*

(vi) *The seniority in the I. C. S. will be determined by the results of the examinations taken and the reports on law cases submitted during the course of probation.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examinations unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.*

(viii) "*Overseas pay*" *will not be admissible to Indian members of the Indian Civil Service selected at Open Competitive Examinations held in London in 1925 and subsequent years.*
